

PRESS STATEMENT

This is to inform the general public and all importers of livestock and livestock products that issuance of import and in-transit permits for the following has been suspended with immediate effect;

- All live animals
- All livestock products (fish, MDM, dairy products, biologicals etc)
- All feed inputs
- All permits issued have since been revoked.

The suspension will be enforced until a consultative meeting with all stakeholders is convened on a date to be announced.

Dr. David Shamulenge
Permanent Secretary

MINISTRY OF FISHERIES AND LIVESTOCK
